26 reports of 26 will convert to Snowflake.

35 queries remapped
to 4 Snowflake universes

12 reports have expression rewrites
31 expression changes

0 jobs keep running
against converted reports

Where reports are going

Snowflake universe	Reports	Queries	Reports with rewrites
Total Customer View Daily Universe.unx	**26**	27	12
Deposit Daily - Production.unx	**4**	4	1
ADS Deposit Production Universe.unx	**2**	2	1
Customer Daily Production.unx	**1**	2	1

A report that queries several universes is listed under each of them. Rewrites belong to the report, not to one universe.
